

Lakehead Amateur Radio Club

Port Arthur

January 1959

Fort William

The first meeting of the New Year will be held in the Civil Defence Building, Fort William, January 15th at 8:15 pm. Lets have a good turnout and start the year in good style.

The business session will not take long and will be followed by movies. We hope to have some interesting pictures from Bell Telephone, but in case these do not arrive in time we will arrange for something appropriate.

At the meeting we will put our Civil Defence Station on the air. **VE3ZCD will be (officially) opened for business** - Civil Defence, emergency communications - ham net work - round tables and what have you.

There is a continued delay in regard to the two metre project. It is hoped to have something definite from Northwest Radio in time for the meeting. In the meantime our Club transmitter is now on the bench at VE3ZCD awaiting operators.

Q R M

VE3DPJ Peter Boyle is working with his T B S 50. He has a new conversion unit for his HQ129X. Tell us about it at the meeting Pete.

VE3ANP Bert Tamblin is looking for an 812A or two.

VE3BED George Fraser is acquiring a Valiant Transmitter and has some gear for sale. Be at the meeting George and tell us what you have.

VE3AKI Al Fulton is coming along OK. Going to Toronto so will not be with us Thursday.

VE3DJD Herman C.G. Dalman has a 2 element vertical beam on 14 CW.

VE3FW Pat O'Shea had repairs made to his beam by Peter Boyle - VE3DPJ, VE3RKY and VE3DRI. Good work fellows.

VE3BAB George Wolfe has had a session in the hospital but is OK now. See you Thursday George.

VE3BPZ Donald G. (Choppy) Walsh has a cubical quad in the attic; some attic.

VE4LT, Ted Dunderdale ex VE3BBO, a former President of the Club is now on the air from Winnipeg.

VE4EN Roy McGuire, formerly of the Lakehead is on 20 metre phone from Winnipeg.

VE3DMZ Hec Wilson; What's this new receiver we have been hearing about Hec?
